Description

Innovation, performance, and elegant design combined. Welcome to the limit.

Areas of use

For wall installation in all pool designs up to 7 mm thick, except round pools. For performance-oriented professional workouts, relaxation, rehabilitation training, fitness, or recreational fun.

Version

A flush-mounted housing uses innovative propeller technology to draw water through the cover and return it to the pool in a powerful jet. The system is powered by an efficient, fanless, fully encapsulated permanent magnet motor. Power control and switching on and off are controlled via the integrated piezo buttons or a remote control.
